INDEX OF AUTHORS

Page

Ahad, A. with Basu, P. K. and Kapur, B. M.
Does a barbiturate drug given in lethal dose enter the carnea? 181
Ahad, A. with Basu, P. K. and Kapur, B. M.
Transference of drug to recipient via corneal graft taken from donor dying of barbiturate poisoning 260
Alberth, Bela and Hatvani, Istvan
Local lymphokine production in ocular inflammatory diseases 173
Amyot, Marcel and Blondeau, Pierre
Recent advances: Maleate de timolol pharmacologie et révue de la littérature 208
Augsburger, James with Shields, Jerry and Rife, Charles
Bilateral choroidal osteoma after nine years 281

Basu, P. K. with Hasany, S. M. and Ohashi, K.
A corneal model for studying the interaction between the endothelium and sensitized lymphocytes 29
Basu, P. K. with Kapur, B. M. and Ahad, A.
Does a barbiturate drug given in lethal dose enter the cornea? 181
Basu, P. K. with Kapur, B. M. and Ahad, A.
Transference of drug to recipient via corneal graft taken from donor dying of barbiturate poisoning 260
Basu, P. K. with Liao, H. R., Hasany, S. M. and Lin, B. J.
Biochemical analysis of the cornea stored in steroid medium 274
Basu, P. K. with Liao, H. R. and Minta, J. O.
Anticomplementary activity of cornea vitreous and chorioretina in rabbits 270
Basu, P. K. with Liao, H. R. and Minta, J. O.
The anticomplementary activity of the rabbit lens 186
Basu, P. K. with Lin, B. J., Liao, H. R. and Hasany, S. N.
Does the number of cells decrease with age? A biochemical study 117
Berger, Brian with Peyman, Gholam A., Juarez, Claudio, Mason, Gary and Raichand, Motilal
Massive retinal gliosis simulating choroidal melanoma 285
Berkowitz, Peter with Orton, Robert B., Boyaner, Don and Brownstein, Seymour
Pseudophakic bullous keratopathy — a clinical-pathologic analysis 3
Bernardo, Arturo with Brownstein, Seymour and Henry, Michael
Malignant melanoma of the conjunctiva after 11 years 142
Blondeau, Pierre and Amyot, Marcel
Recent advances: Maleate de timolol pharmacologie et révue de la littérature 208
Boucher, Carole and Laflamme, Michel
Correction chirurgicale de l'astigmatisme cornéen après greffe de cornée 81
Bowman, Karen with Van Horn, Diane, Hull, S. and Green, Keith
Corneal endothelial cell function after storage in MK medium and hydrocortisone 114
Boyaner, Don with Brownstein, Seymour, Berkowitz, Peter and Orton, Robert B.
Pseudophakic bullous keratopathy — a clinical-pathologic analysis 3
Boyd, T. A. S. with Kinnear, Adrianne and Lauber, Jean K.
The water provocative test in preglaucomatous chickens 176

Page

Brouillette, Gilles
Glaucome neo-vasculaire une technique chirurgicale 159
Brownstein, Seymour with Berkowitz, Peter, Orton, Robert and Boyaner, Don
Pseudophakic bullous keratopathy – a clinical-pathologic analysis 3
Brownstein, Seymour with Harris, Ross and Vine, Andrew K.
Ultrasonography and computerized tomography in the diagnosis of unsuspected uveal melanoma with proptosis 294
Brownstein, Seymour with Henry, Michael and Bernardo, Arturo
Malignant melanoma of the conjunctiva after 11 years 142

Calabria, G. with Gandolfo, E. and Zingirian, M.
The nasal step in normal and glaucomatous visual fields 88
Chatzoulis, D. with Koutoulidis, K., Samaras, B., Velissaropoulos, P., Theodossiadis, G. and Panopoulos, M.
How do tears drain? Technetium studies 169
Clarke, William N. and Noel, Leon P.
Amblyopia and the monofixation syndrome 239
Cooper, T. J. with Kazdan, J. J. and Cutz, E.
Ligneous conjunctivitis with tracheal obstruction: a case report, with light and electron microscopy findings 57
Cummings, Carl and Polomeno, Robert C.
Autosomal dominant cataracts and microcornea 227
Cutz, E. with Cooper, T. J. and Kazdan, J. J.
Ligneous conjunctivitis with tracheal obstruction – a case report, with light and electron microscopy findings 57
Czarnecki, J. S. C. with Pilley, Sydney F. J. and Thompson, H. Stanley
The analysis of anisocoria 297

Drance, Stephen M. and Hass, Ian
Topical Timolol in open-angle glaucoma 235
Duquette, Pierre with Lalonde, Guy, Laflamme, Pierre and Vézina, Jean L.
Bonnet-Dechaume-Blanc Syndrome 47
Dyson, Charles
Phakoemulsification 1

Eiferman, Richard A. and Wilkins, Edmund L.
Immunological aspects of superior limbic keratoconjunctivitis 85
Feldman, F. and Wood, M.
Evaluation of the Schirmer Tear Test 257
Feldman, Fredrick and Stein, Harold
Delayed glaucoma after implantation of a Choyce intraocular lens 190

Gandolfo, E. with Zingirian, M. and Calabria, G.
The nasal step in normal and glaucomatous visual fields 88
Gentles, W. with Howcroft, M. J. and Hurwitz, J. J.
A spectacle device to treat facial nerve paralysis 53
Ghosh, Mrinmay and McCulloch, Clement
Epithelial downgrowth following cataract extraction 126

INDEX OF SUBJECTS

Page

Amblyopia: Amblyopia and the monofixation syndrome ... 239
Anisocoria: The analysis of anisocoria ... 297

Bilateral Choroidal Osteoma: Bilateral choroidal osteoma after nine years ... 281
Bonnet-Dechaume-Blanc Syndrome: Bonnet-Dechaume-Blanc Syndrome ... 47

Cataract: Autosomal dominant cataracts and microcornea ... 227
Editorial: Phakoemulsification ... 1
Epithelial downgrowth following cataract extraction ... 126
Cemento-ossifying fibroma: Cemento-ossifying fibroma of the orbit ... 195
Choroid: Bilateral choroidal osteoma after nine years ... 281
Choroidopathy: Eccentric serous choroidopathy: A case report ... 102
Conjunctiva: Malignant melanoma of the conjunctiva after 11 years ... 142
Conjunctivitis: Ligneous conjunctivitis with tracheal obstruction — a case report, with light and electron microscopy findings ... 57
Contact Lenses: Current techniques: fitting hydrophilic lathe cut lenses ... 63
Cornea: A corneal model for studying the interaction between the endothelium and sensitized lymphocytes ... 29
Anticomplementary activity of cornea vitreous and chorioretina in rabbits ... 270
Autosomal dominant cataracts and microcornea ... 227
Biochemical analysis of the cornea stored in steroid medium ... 274
Corneal endothelial cell function after storage in MK medium and hydrocortisone 114
Does a barbiturate drug given in lethal dose enter the cornea? ... 181
Does the number of cells in the cornea decrease with age? A biochemical study 117
Pseudophakic bullous keratopathy — a clinical-pathologic analysis ... 3
Transference of drug to recipient via corneal graft taken from donor dying of barbiturate poisoning ... 260
Cornée: Correction chirurgicale de l'astigmatisme cornéen après grèffe de cornée ... 81

Endophthalmitis: Isolation of meningococci in meningococcal endophthalmitis ... 51
Epithelial Downgrowth: Epithelial downgrowth following cataract extraction ... 126
Exotropia: Prismotherapy in intermittent exotropia: A preliminary report ... 243

Facial Paralysis: A spectacle device to treat facial nerve paralysis ... 53
Falciform Fold: Falciform fold in retina ... 192
Foreign Body: Total transient visual loss and orbital foreign bodies ... 95

Glaucoma: Delayed glaucoma after implantation of a Choyce intraocular lens ... 190
Eye enlargement in birds induced by dim light ... 265
Hereditary lens dislocation with angle closure glaucoma ... 230
Recent advances: Meleate de timolol pharmacologie révue de la littérature ... 208
Rieger's anomaly with congenital glaucoma — a case presentation of postnatal anterior segment maturation ... 137
The nasal step in normal and glaucomatous visual fields ... 88
The water provocative test in preglaucomatous chickens ... 176
Topical Timolol in open-angle glaucoma ... 235
Glaucome Neo-vasculaire: Glaucome neo-vasculaire une technique chirurgicale ... 159

Page

Herpes Zoster: Zone ophtalmique: Traitement de la nevralgie zonateuse par infiltrations stellaires répetées ... 99

Immunology: Anticomplementary activity of cornea vitreous and chorioretina in rabbits 270
Immunological aspects of superior limbic keratoconjunctivitis ... 85
Local lymphokine production in ocular inflammatory diseases ... 173
The anticomplementary activity of the rabbit lens ... 186
Local lymphokine production in ocular inflammatory diseases ... 173

Keratoconjunctivitis: Immunological aspects of superior limbic keratoconjunctivitis ... 85

Lacrimal: Congenital abnormalities of lacrimal drainage: Management of difficult cases 103
Dacryocystorhinostomy in Paget's disease ... 291
Evaluation of the Schirmer Tear Test ... 257
How do tears drain? Technetium studies ... 169
Lacrimal sac calculi ... 17
Lagophthalmos: A spectacle device to treat facial nerve paralysis ... 53
L'astigmatisme: Correction chirurgicale de l'astigmatisme cornéen après grèffe de cornée ... 81
Lens: Hereditary lens dislocation with angle closure glaucoma ... 230

Macula: The surgical management of macular pucker ... 110
Maleate de Timolol: Pharmacologie: Recent advances: Maleate de timolol pharmacologie et révue de la littérature ... 208
Melanoma: Editorial — Small uveal melanomas ... 79
Malignant melanoma of the conjunctiva after 11 years ... 142
Massive retinal gliosis simulating choroidal melanoma ... 285
Ultrasonography and computerized tomography in the diagnosis of unsuspected uveal melanoma with proptosis ... 294
Miosis: Congenital miosis ... 43
Monofixation syndrome: Amblyopia and the monofixation syndrome ... 239

Obituary: Dr. Frank Walsh ... 147
Dr. Samuel T. Adams ... 73
Optic Nerve: Recent advances: Visual function tests in retinal and optic nerve disease 205
Orbit: Cemento-ossifying fibroma of the orbit ... 195
Total transient visual loss and orbital foreign bodies ... 95

Paget's Disease: Dacryocystorhinostomy in Paget's Disease ... 291
Panisett-Pop: The Panisett-Pop syndrome ... 55
Phakoemulsification: Editorial — Phakoemulsification ... 1
Prisms: Prismotherapy in intermittent exotropia: A preliminary report ... 243
Proptosis: Ultrasonography and computerized tomography in the diagnosis of unsuspected uveal melanoma with proptosis ... 294
Pseudophakia: Delayed glaucoma after implantation of a Choyce intraocular lens ... 190
Retinal detachment and pseudophakia ... 249
Pseudophakic bullous keratopathy — a clinical-pathologic analysis ... 3
Vitreous and retinal surgery in pseudophakia ... 246
